GATE CRASH COURSE
(Branch Name)

ABOUT THE COURSE

The Graduate Aptitude Test in Engineering (G A T E) is an examination that primarily tests the comprehensive understanding of various undergraduate subjects in engineering and science. GATE is jointly conducted IITs & IISC. Some of the merits of clearing GATE are:- The GATE score of a candidate reflects the relative performance level of a candidate. · The score is used for admissions to various Post- Graduation program · GATE score are also being used by several PSUs for recruiting graduate engineers in entry-level positions. Eligibility for studying abroad such as National University of Singapore. GATE score required for PhD programs.

Course Content / Expert name

Sample Topic	Expert name
• Power Electronics and Drives	1
• Control Systems and Instrumentation	2
• Electrical Machines	3
• Power Systems	3
• Networks and Circuits Digital, Analog and Signal Process	4

DATE: FROMTO.....

COORDINATORS

Dr. Piyush Lotia CSVTU, Bhilai
(Name of the head of the organizing Institute)
