Report: **Yuva Sangam**
PHASE VI

New Delhi

**8th - 12th June,
2026**

NATIONAL SERVICE SCHEME

**SHRI SHANKARACHAYA TECHNICAL
CAMPUS, JUNWANI, BHILAI (C.G)
AFFILIATED TO : CSVTU & A
CONSTITUENT UNIT OF SSPU, BHILAI**

REPORT SUBMITTED BY :

Akshay Swarnkar
NSS-SSTC Volunteer

REPORT SUBMITTED TO :

**Dr. D S Raghuwanshi NSS-
CSVTU Programme
Coordinator**

Acknowledgement

I express my sincere gratitude to Prof. (Dr.) Arun Arora, Hon'ble Vice Chancellor of CSVTU, for his visionary leadership and unwavering support for student development. His commitment to promoting academic excellence, leadership, and national-level participation enabled students to represent the university at Yuva Sangam Phase VI, inspiring them to contribute meaningfully towards society and nation-building.

I sincerely thank Dr. P. B. Deshmukh, Director of Shri Shankaracharya Technical Campus, Bhilai, for his constant support and inspiring leadership. His commitment to providing students with opportunities for academic and personal growth encouraged us to represent SSTC Bhilai at Yuva Sangam Phase VI, motivating us to pursue excellence and serve the nation with dedication.

I extend my heartfelt gratitude to Dr. D. S. Raghuwanshi, Programme Coordinator, NSS, CSVTU, for his continuous guidance, mentorship, and encouragement. His dedication to nurturing the values of service, leadership, and social responsibility among NSS volunteers played a significant role in facilitating our participation in Yuva Sangam Phase VI, making this enriching learning experience possible.

About National Service Scheme (NSS)

The National Service Scheme (NSS) is a flagship youth development programme of the Ministry of Youth Affairs and Sports, Government of India, launched on 24 September 1969 to commemorate the birth centenary of Mahatma Gandhi. The scheme aims to develop the personality and character of students through voluntary community service while promoting the values of social responsibility, leadership, discipline, and national integration. Its motto, "Not Me, But You," reflects the spirit of selfless service and the importance of prioritizing the welfare of society.

NSS encourages students to understand the needs of the community and actively participate in nation-building through various social service activities. Volunteers contribute to initiatives such as cleanliness drives, tree plantation, blood donation camps, health and awareness programmes, disaster management, environmental conservation, literacy campaigns, road safety awareness, voter awareness, and rural development. These activities provide practical learning experiences and help develop leadership, teamwork, and civic responsibility.

Over the years, NSS has grown into one of India's largest youth movements, inspiring millions of students to become responsible and socially conscious citizens. By fostering the ideals of service, unity, compassion, and active community participation, the National Service Scheme continues to play a significant role in empowering youth and contributing towards the development of a progressive and inclusive nation.

About NSS Unit **Shri Shankaracharya Technical Campus, Bhilai**

The National Service Scheme (NSS) Unit of Shri Shankaracharya Technical Campus (SSTC), Bhilai, affiliated with Chhattisgarh Swami Vivekanand Technical University (CSVТУ), is committed to nurturing the values of selfless service, leadership, discipline, and social responsibility among students. Guided by the motto "Not Me, But You," the unit inspires volunteers to actively participate in community service while fostering their overall personality development. The unit functions under the dedicated guidance of its Programme Officers, Mr. Manoj Kumar and Ms. Madhu, whose leadership and continuous encouragement motivate volunteers to contribute meaningfully towards society and nation-building.

The NSS Unit regularly organizes and participates in a variety of community service activities, including cleanliness drives, plantation campaigns, blood donation camps, health and awareness programmes, environmental conservation initiatives, voter awareness campaigns, rural development activities, and Special Seven-Day NSS Camps. These initiatives provide students with practical exposure to social issues while developing leadership, teamwork, communication, and problem-solving skills.

Over the years, the NSS Unit of SSTC Bhilai has actively represented the institution at state-level and national-level programmes, including Yuva Sangam, youth festivals, and various community outreach initiatives. Through its consistent efforts and dedicated guidance, the unit continues to uphold the ideals of service, unity, and responsible citizenship, inspiring students to become socially conscious individuals and active contributors to the nation's development.

राष्ट्रीय सेवा योजना लक्ष्य गीत

उठें समाज के लिए उठें - उठें,
जगेन स्वराष्ट्र के लिए जगेन-जागेन
स्वयं सजे वसुन्धरा संवर डेन-2

हम उठेंगे-उठेगा जग हमारे संग साथियों
हम बढ़ें तो सब; बढ़ेंगे अपने आप साथियों
ज़मीन पर आसमान को उतारें - 2
स्वयं सजे वसुन्धरा संवर देन-2

उदासियों को दूर कर खुशी को बांटें चलें
गाओ और शहर की दूरियों को पत्ते चलें
ज्ञान को प्रचार दे प्रसार दे
विज्ञान को प्रचार दे प्रसार देना
स्वयं सजे वसुन्धरा संवर देन-2

समर्थ बल वारिध और नारी रहें सदा
हरे भरे वर्णों की औधति रहे धरा
तरकियों की एक नई कतार देन - 2
स्वयं सजे वसुन्धरा संवर देन-2

ये जाति धरम बोलियां बने नहीं शूल राह की
व्धायें बेल प्रेम की अखण्डता की चाह की
भावना से ये चमन निखार दें
स्वयं सजे वसुन्धरा संवर देन-2

उठें समाज के लिए उठें - उठें
जगेन स्वराष्ट्र के लिए जगेन-जागेन
स्वयं सजे वसुन्धरा संवर डेन - 2

Introduction to YUVA SANGAM

Yuva Sangam is a flagship initiative of the Ministry of Education, Government of India, launched under the vision of **Ek Bharat Shreshtha Bharat (EBSB)**. The programme aims to strengthen the spirit of national integration by providing young students from different parts of the country with opportunities to experience the rich cultural heritage, educational excellence, technological advancements, and social diversity of other states and Union Territories.

The programme is organised in collaboration with premier Higher Education Institutions across India, where selected delegates participate in academic interactions, cultural exchanges, heritage visits, innovation showcases, and leadership sessions.

It is structured around **five key dimensions**:

Yuva Sangam Phase VI brought together youth from various educational institutions to foster mutual learning, encourage cultural exchange, and promote the values of collaboration, innovation, and responsible citizenship. The programme also provided participants with opportunities to interact with distinguished academicians, government officials, policymakers, and industry experts while visiting renowned institutions and places of national importance.

Participation in Yuva Sangam serves as a platform for developing leadership qualities, broadening perspectives, and strengthening the commitment of young citizens towards nation-building and the vision of a **Viksit Bharat**.

PROGRAMME AT A GLANCE

 **Initiative**
Ek Bharat Shreshtha Bharat (EBSB)

 **Organised by**
Ministry of Education,
Government of India

 **Host Institution**
Indian Institute of Technology Delhi

 **Partner Institution**
Indian Institute of Technology Bhilai

 **Phase**
VI

 **Duration**
6 – 12 June 2026

 **Theme**
Unity through Cultural Exchange,
Education, Innovation & Leadership

“Manpower without unity is not a strength unless it is harmonized and united properly.

— Sardar Vallabhbhai Patel

Objectives of YUVA SANGAM

Yuva Sangam, an initiative under **Ek Bharat Shreshtha Bharat (EBSB)** by the Ministry of Education, Government of India, is designed to strengthen national integration by connecting youth from different regions of the country. The programme provides a platform for participants to experience India's cultural diversity, educational excellence, technological progress, and developmental achievements through structured interactions and exposure visits.

KEY OBJECTIVES

1. Strengthen National Integration

To foster the spirit of "Ek Bharat Shreshtha Bharat" by promoting mutual understanding, unity, and harmony among youth from different States and Union Territories.

2. Promote Cultural Exchange

To provide participants with first-hand exposure to the traditions, languages, heritage, art, cuisine, and cultural practices of different regions of India, thereby encouraging appreciation of the country's rich diversity.

3. Encourage Educational and Academic Collaboration

To facilitate interaction with premier educational institutions, academicians, researchers, and experts, promoting knowledge sharing and academic excellence.

4. Showcase India's Development

To expose participants to India's advancements in science, technology, innovation, entrepreneurship, governance, and sustainable development through visits to institutions of national importance.

5. Develop Leadership and Responsible Citizenship

To nurture leadership qualities, teamwork, communication skills, social responsibility, and civic awareness among young participants, encouraging them to become active contributors to nation-building.

6. Enhance People-to-People Connect

To build meaningful friendships and lasting connections among youth from diverse backgrounds, promoting mutual respect, collaboration, and national unity.

7. Promote Experiential Learning

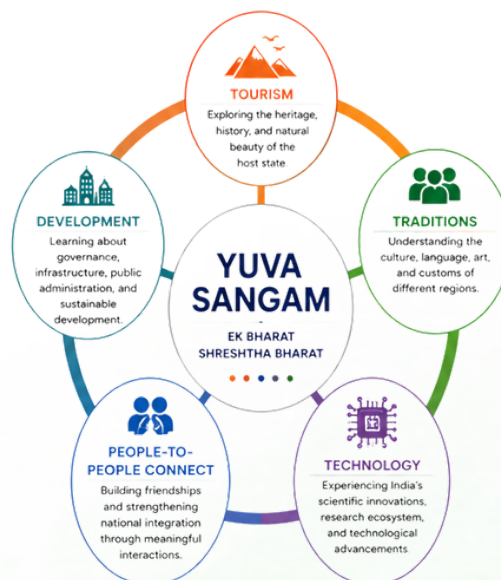

To provide immersive learning experiences through educational visits, interactive sessions, cultural activities, and community engagement beyond the traditional classroom environment.

8. Inspire Youth for Nation-Building

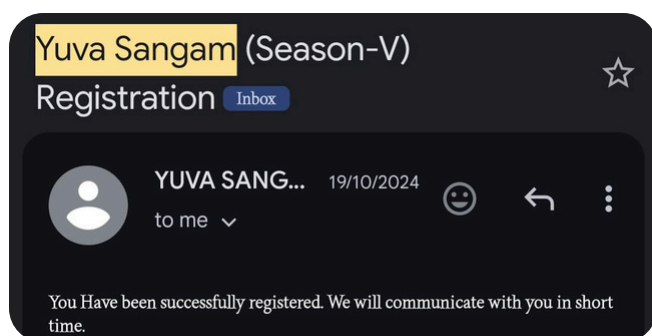

To motivate young citizens to contribute towards the vision of Viksit Bharat by embracing innovation, inclusivity, service, and the values enshrined in the Constitution of India.

FIVE THEMATIC PILLARS OF YUVA SANGAM

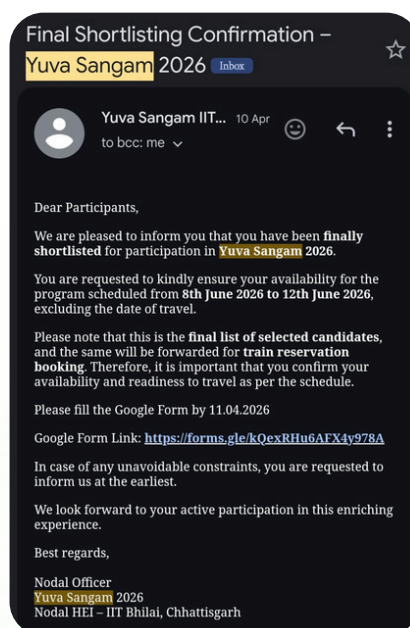

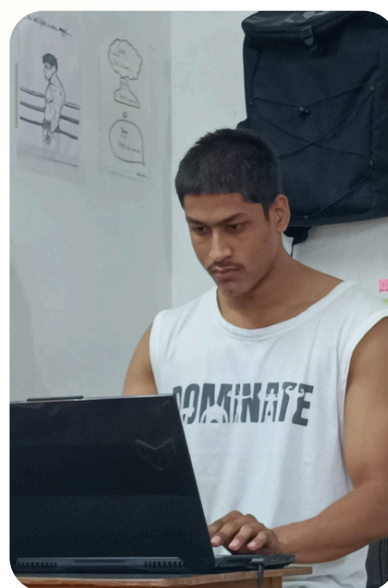

Selection Process of YUVA SANGAM

The selection process for **Yuva Sangam Phase VI** was conducted in a structured and transparent manner by the organising institutions. Interested students were initially invited to register through an online Google Form, where they provided their academic, personal, and extracurricular details along with the required information. Following the registration process, shortlisted candidates underwent document verification to validate their eligibility and submitted credentials.

After the successful completion of the verification process, the final list of selected participants was prepared. The selected candidates received an official confirmation email from the **Yuva Sangam Coordination Team, IIT Bhilai** (Nodal Higher Education Institution). The email informed the participants about their final selection, programme schedule, travel arrangements, and the requirement to confirm their availability by submitting the prescribed confirmation form.

Receiving the official invitation marked the beginning of an enriching journey under the **Ek Bharat Shreshtha Bharat** initiative. It was a matter of immense pride to be selected to represent **Shri Shankaracharya Technical Campus (SSTC), Bhilai and Chhattisgarh Swami Vivekanand Technical University (CSVTU)** in this prestigious national-level youth exchange programme

Programme Schedule of YUVA SANGAM PHASE VI

Date	Day	Programme / Activities
08 June 2026	Day-1	Inaugural & Orientation Programme, Ice-breaking Session, Campus Tour of IIT Delhi, Visit to the Research & Innovation Park (R&I Park), Interaction with Olympian Shri Tejaswin Shankar, Visit to Mittal Sports Complex, Sports Competitions.
09 June 2026	Day-2	Plantation Drive at Nalanda Ground, Visit to the Lotus Temple, Interaction with the Lieutenant Governor of Delhi, Visit to Akshardham Temple, Cultural and Heritage Exploration.
10 June 2026	Day-3	Interactive Session by the Central Institute of Indian Languages (CIIL), Screening of the film Swades, Quiz Competition, Delhi Metro Experience, Visit to Dilli Haat.

12 June 2026	Day-5	Visit to the National Science Centre, Interactive Learning Sessions, Valedictory & Certificate Distribution Ceremony, Interaction with the Chief Minister of Delhi, Closing Ceremony, Departure from IIT Delhi.

DAY-1

08 June 2026

Orientation Programme | Research & Innovation Park | Interaction with Shri Tejaswin Shankar | Mittal Sports Complex | Sports Competition

Introduction

The first day of Yuva Sangam Phase VI at Indian Institute of Technology Delhi commenced with a formal orientation programme, marking the beginning of the academic and cultural immersion. The day's activities were designed to familiarize participants with the objectives of the programme, encourage interaction among delegates from different states, and provide exposure to the world-class research, innovation, and sports infrastructure of IIT Delhi.

1. Orientation Programme

The programme commenced with an inaugural orientation session, where the organising committee welcomed all delegates and introduced the vision, objectives, code of conduct, and five thematic pillars of Yuva Sangam under the Ek Bharat Shreshtha Bharat initiative. Participants were briefed about the schedule and expected outcomes of the programme.

2. Ice-Breaking Session

An interactive ice-breaking session was organised to encourage communication and collaboration among participants from diverse cultural and geographical backgrounds. The activity fostered teamwork, mutual understanding, and the spirit of national integration.

3. Visit to Research & Innovation (R&I) Park, IIT Delhi

Delegates visited the Research & Innovation (R&I) Park at IIT Delhi, where they were introduced to cutting-edge research, technological innovations, startup incubation facilities, and industry-academia collaborations. The visit highlighted India's growing innovation ecosystem and the role of higher educational institutions in promoting research and entrepreneurship.

4. Interaction with Shri Tejaswin Shankar

Participants had the privilege of interacting with Shri Tejaswin Shankar, an international high jumper and Olympian. During the session, he shared his journey of perseverance, discipline, and balancing academics with professional sports. His experiences inspired participants to pursue excellence through dedication, resilience, and continuous self-improvement.

5. Visit to Mittal Sports Complex

The delegates explored the Arjun Singh–Mittal Sports Complex, one of India's premier university sports facilities. The visit showcased the importance of sports infrastructure in nurturing talent and promoting physical fitness alongside academic excellence.

6. Sports Competitions

The day concluded with friendly sports competitions involving delegates from different states. These activities promoted teamwork, healthy competition, leadership, sportsmanship, and strengthened interpersonal bonds among participants.

Key Learnings

- National integration is strengthened through meaningful interaction and cultural exchange.
- Innovation and research are key drivers of India's future development.
- Success requires discipline, perseverance, and continuous learning.
- Sports play a vital role in developing leadership, teamwork, and resilience.
- Collaboration among youth from diverse backgrounds contributes to building a stronger and more united nation.

DAY-2

09 June 2026

Plantation Drive | Lotus Temple | Interaction with Hon'ble Lieutenant Governor of Delhi | Visit to Akshardham Temple

Introduction

The second day of Yuva Sangam Phase VI focused on promoting environmental sustainability, understanding India's cultural and spiritual heritage, and providing participants with an opportunity to interact with senior constitutional authorities. The activities reflected the core values of Ek Bharat Shreshtha Bharat by integrating social responsibility, cultural appreciation, and democratic governance into a single day of experiential learning.

1. Plantation Drive at Nalanda Ground, New Delhi

The day commenced with a Plantation Drive at Nalanda Ground, New Delhi, where delegates actively participated in planting saplings as a symbol of environmental conservation and sustainable development. The activity reinforced the importance of ecological responsibility and encouraged participants to contribute towards building a greener and healthier future.

2. Visit to Lotus Temple

The delegates visited the Lotus Temple, one of Delhi's most renowned architectural landmarks and a symbol of peace, harmony, and unity. Participants experienced the serene atmosphere of the Bahá'í House of Worship and learned about its message of universal brotherhood, equality, and respect for all religions.

3. Interaction with Hon'ble Lieutenant Governor of Delhi

A key highlight of the day was the interaction with Hon'ble Shri Taranjit Singh Sandhu Samundri, Lieutenant Governor of the National Capital Territory of Delhi, at Raj Niwas, New Delhi.

During the session, the Hon'ble Lieutenant Governor shared valuable insights on leadership, public service, nation-building, and the role of youth in shaping India's future. He emphasized the importance of discipline, integrity, innovation, and responsible citizenship in achieving the vision of Viksit Bharat. The interactive discussion provided delegates with a deeper understanding of constitutional governance while inspiring them to contribute positively towards society and national development.

4. Visit to Akshardham Temple

The day concluded with a visit to the magnificent Swaminarayan Akshardham Temple, an architectural masterpiece representing India's rich cultural, spiritual, and artistic heritage.

Participants explored the beautifully crafted temple complex and gained an appreciation for India's traditional architecture, values, and cultural legacy. The visit served as a reminder of the country's timeless heritage and its message of peace, harmony, and service to humanity.

Key Learnings

- Environmental conservation is a collective responsibility and an essential component of sustainable development.
- India's diversity is united by shared values of peace, harmony, and mutual respect.
- Effective leadership is founded on integrity, accountability, and service to society.
- Understanding constitutional institutions enhances civic awareness and responsible citizenship.
- Preserving cultural and spiritual heritage strengthens national identity and promotes unity in diversity.

DAY-3

10 June 2026

CIIIL Interactive Session | Screening of Swades | Quiz Competition | Delhi Metro Experience | Visit to Dilli Haat

Introduction

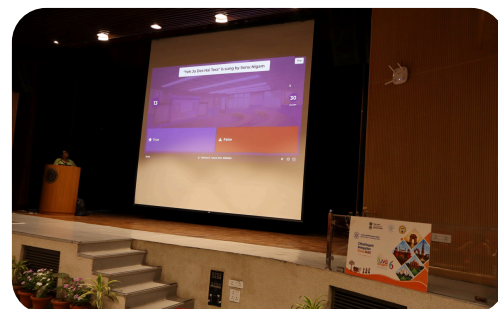

The third day of Yuva Sangam Phase VI was dedicated to promoting India's linguistic and cultural diversity through interactive learning, value-based education, and cultural exploration. The day's activities encouraged participants to appreciate India's rich heritage while strengthening teamwork, critical thinking, and national integration through engaging academic and cultural experiences.

1. Interactive Session by CIIIL

The day commenced with an interactive session conducted by the Central Institute of Indian Languages (CIIIL). The session highlighted India's remarkable linguistic diversity and emphasized the importance of preserving regional languages while promoting mutual respect and cultural understanding among different communities. Participants gained valuable insights into the role of language in strengthening national integration and preserving India's cultural heritage.

2. Screening of the Film Swades

Delegates attended a special screening of the critically acclaimed film Swades, which portrays themes of patriotism, social responsibility, rural development, and community empowerment. The film encouraged participants to reflect on the importance of using knowledge and skills for the betterment of society and inspired them to contribute meaningfully to the nation's progress.

3. Quiz Competition

Following the movie screening, a quiz competition was organized to assess participants' understanding of the themes, values, and key messages presented in the film. The activity promoted analytical thinking, active participation, teamwork, and healthy competition among delegates.

4. Delhi Metro Experience

The delegates travelled through the Delhi Metro, experiencing one of India's most efficient and sustainable public transportation systems. The journey demonstrated the importance of modern urban infrastructure, accessibility, and environmentally responsible transportation in supporting the daily lives of millions of citizens.

4. Visit to Dilli Haat

The day concluded with a visit to Dilli Haat, a renowned open-air cultural marketplace showcasing the traditional arts, handicrafts, textiles, cuisine, and folk culture of various Indian states. The visit provided participants with an opportunity to experience India's vibrant cultural diversity and appreciate the craftsmanship and traditions preserved by artisans from across the country.

Key Learnings

- India's linguistic diversity is a valuable national asset that strengthens unity in diversity.
- Every individual has a responsibility to contribute towards social and national development.
- Knowledge, teamwork, and critical thinking are essential for personal and collective growth.
- Efficient public transportation plays a significant role in sustainable urban development.
- Preserving traditional arts and cultural heritage is vital for maintaining India's unique identity.

DAY-4

11 June 2026

India Gate | Rashtrapati Bhavan Museum | Rashtrapati Bhavan | Interaction with Hon'ble Union Minister of Education

Introduction

The fourth day of Yuva Sangam Phase VI provided participants with an enriching experience of India's historical legacy, constitutional heritage, and educational vision. The day's itinerary included visits to iconic national landmarks and an inspiring interaction with the Hon'ble Union Minister of Education, Government of India. These experiences strengthened the participants' understanding of India's democratic institutions, national values, and commitment to educational excellence.

1. Visit to India Gate and National War Memorial

The day began with a visit to India Gate and the National War Memorial, two of the country's most significant national monuments. Participants paid tribute to the brave soldiers who made the supreme sacrifice in the service of the nation and gained a deeper appreciation for India's military history, patriotism, and the values of courage and national service.

2.Guided Tour of Rashtrapati Bhavan Museum

Delegates visited the Rashtrapati Bhavan Museum, where they explored exhibits showcasing the constitutional history of India, the evolution of the Presidency, and the rich heritage associated with the nation's highest constitutional office. The museum provided valuable insights into India's democratic journey and governance.

3. Visit to Rashtrapati Bhavan

The visit to Rashtrapati Bhavan offered participants an opportunity to witness one of India's most iconic architectural landmarks. Delegates admired its magnificent architecture, historical significance, and role as the official residence of the President of India, gaining a greater understanding of the country's constitutional framework and national heritage.

4. Interaction with Hon'ble Union Minister of Education

One of the most memorable highlights of the programme was the interaction with Hon'ble Shri Dharmendra Pradhan, Union Minister of Education, Government of India.

During the interactive session, the Hon'ble Minister shared his vision for quality education, innovation, skill development, and youth empowerment. He encouraged participants to become lifelong learners, embrace technology and innovation, and actively contribute towards building a Viksit Bharat. The session inspired delegates to uphold the values of leadership, responsibility, and national service while pursuing excellence in their respective fields.

Key Learnings

- Respecting the sacrifices of our armed forces strengthens our sense of national pride and responsibility.
- India's democratic institutions reflect the values of the Constitution and good governance.
- Education, innovation, and skill development are essential pillars of national progress.
- Young citizens have a significant role in contributing towards an inclusive, developed, and self-reliant India.
- Leadership is driven by vision, commitment, and continuous learning.

DAY-5

12 June 2026

National Science Centre | Valedictory & Certificate Distribution | Interaction with Hon'ble Chief Minister of Delhi

Introduction

The fifth and final day of Yuva Sangam Phase VI concluded with a series of enriching experiences that showcased India's scientific advancements, recognized the active participation of delegates, and provided an opportunity to interact with the Hon'ble Chief Minister of Delhi. The day's activities highlighted the importance of innovation, leadership, and collaborative learning while reinforcing the programme's vision of nurturing informed, responsible, and future-ready youth.

1. Visit to National Science Centre, New Delhi

The day commenced with an educational visit to the National Science Centre, New Delhi, one of India's premier science museums. Delegates explored a wide range of interactive exhibits related to science, technology, engineering, space research, robotics, environmental sustainability, and innovation. The visit encouraged scientific curiosity and demonstrated how technology and research contribute to solving real-world challenges and supporting national development.

2. Valedictory & Certificate Distribution Ceremony

The Valedictory Ceremony marked the successful conclusion of Yuva Sangam Phase VI. During the programme, delegates reflected on their learning experiences and celebrated the friendships and collaborations formed throughout the journey.

Certificates of participation were presented to all delegates in recognition of their active involvement and commitment to the objectives of the programme. The ceremony reaffirmed the values of national integration, cultural exchange, leadership, and responsible citizenship that Yuva Sangam seeks to promote.

3. Interaction with Hon'ble Chief Minister of Delhi

One of the major highlights of the concluding day was the interaction with the Hon'ble Chief Minister of Delhi at the Chief Minister's Office.

During the session, the Hon'ble Chief Minister interacted with the delegates and emphasized the importance of good governance, innovation, public participation, and youth leadership in shaping the future of the nation. The interaction encouraged participants to actively contribute to society through knowledge, integrity, and responsible civic engagement.

Key Learnings

- Scientific innovation and technological advancement are essential for sustainable national development.
- Continuous learning, curiosity, and innovation drive progress in every field.
- Leadership requires vision, responsibility, and active public participation.
- Cultural exchange and collaboration strengthen national unity.
- The experiences and values gained through Yuva Sangam inspire youth to contribute towards the vision of Viksit Bharat.

DISTINGUISHED PERSONALITIES

During Yuva Sangam Phase VI, I had the privilege of interacting with several eminent personalities from the fields of governance, education, sports, and public administration. Their guidance, experiences, and vision provided valuable insights into leadership, innovation, public service, and nation-building.

<u>Name</u>	<u>Designation</u>
Shri Dharmendra Pradhan	Hon'ble Union Minister of Education, Government of India
Shri Taranjit Singh Sandhu Samundri	Hon'ble Lieutenant Governor, National Capital Territory of Delhi
Smt. Rekha Gupta	Hon'ble Chief Minister, Government of NCT of Delhi
Shri Tejaswin Shankar	Olympian, International High Jumper & Asian Games Medalist
Coordinators and Faculty Members, IIT Delhi	Organising Team, Yuva Sangam Phase VI
Coordinators and Nodal Officers, IIT Bhilai	Host Institution for Chhattisgarh Delegation

Group Photo Session with DISTINGUISHED PERSONALITIES

Lieutenant Governor of Delhi

Memorable interaction and group photograph with the Hon'ble Lieutenant Governor of Delhi during Yuva Sangam Phase VI.

Union Minister of Education

Group photograph with Hon'ble Union Minister of Education, Shri Dharmendra Pradhan, inspiring youth towards nation-building.

Chief Minister of Delhi

Group photograph with the Hon'ble Chief Minister of Delhi during the valedictory session of Yuva Sangam.

PLACES VISITED

The programme provided exposure to institutions of national importance, centres of innovation, and iconic cultural and historical landmarks. Some of the major places visited include:

Educational & Innovation Centres

- Indian Institute of Technology (IIT) Delhi
- Research & Innovation (R&I) Park, IIT Delhi
- National Science Centre, New Delhi

Government & Constitutional Institutions

- Raj Niwas (Lieutenant Governor's House), New Delhi
- Chief Minister's Office, Government of NCT of Delhi
- Rashtrapati Bhavan
- Rashtrapati Bhavan Museum

National Heritage & Cultural Sites

- India Gate
- National War Memorial
- Lotus Temple
- Swaminarayan Akshardham Temple
- Dilli Haat

Other Important Places

- Arjun Singh–Mittal Sports Complex, IIT Delhi
- Nalanda Ground (Plantation Drive)

MY KEY LEARNINGS

Throughout Yuva Sangam Phase VI, every interaction and visit offered valuable lessons that enriched my perspective

From Shri Tejaswin Shankar

"Success is achieved through discipline, perseverance, and continuous self-improvement." His journey demonstrated the importance of balancing excellence in academics with dedication to sports.

From the Research & Innovation (R&I) Park, IIT Delhi

Innovation and research are the driving forces of a developed nation. Collaboration between academia, industry, and startups plays a crucial role in solving real-world challenges.

From India Gate & National War Memorial

The sacrifices made by our armed forces remind us that freedom, peace, and national security are built upon courage, selfless service, and unwavering commitment to the nation.

From Rashtrapati Bhavan

India's democratic institutions are founded on constitutional values, transparency, and responsible governance. Respect for these institutions strengthens the spirit of democracy.

From Akshardham Temple

India's rich cultural and spiritual heritage teaches the values of peace, harmony, service, and respect for all humanity.

ACHIEVEMENTS DURING YUVA SANGAM PHASE VI

Representing Shri Shankaracharya Technical Campus, Bhilai and Chhattisgarh Swami Vivekanand Technical University (CSVТУ) at Yuva Sangam Phase VI was a matter of immense pride. During the programme, I actively participated in academic and sports activities and achieved the following:

Sports Achievements

- 🥇 1st Position – Plank Competition
- 🥈 2nd Position – Relay Race
- 🥉 3rd Position – 100 Metres Sprint

Academic Achievement

- 🥈 2nd Position – Swades Movie Quiz Competition

Personal Achievement

- Successfully represented Chhattisgarh State at a prestigious national-level programme.
- Interacted with Union Ministers, constitutional authorities, Olympians, academicians, and distinguished dignitaries.
- Strengthened leadership, communication, teamwork, and public speaking skills.
- Developed a deeper understanding of India's cultural diversity, governance, scientific innovation, and national integration.
- Built lasting friendships with delegates from different parts of the country, promoting the spirit of Ek Bharat Shreshtha Bharat.

"Yuva Sangam Phase VI was more than an educational exchange programme; it was a transformative journey that strengthened my understanding of India's unity in diversity, inspired me through interactions with eminent personalities, and motivated me to contribute with greater dedication towards society and nation-building."

Glimpse of YUVA SANGAM PHASE VI

CONCLUSION

Yuva Sangam Phase VI was a valuable learning experience that strengthened the spirit of national integration, cultural exchange, and responsible citizenship. The programme provided opportunities to interact with distinguished personalities, visit institutions of national importance, and gain insights into India's governance, innovation, education, and cultural heritage.

Representing Shri Shankaracharya Technical Campus, Bhilai and CSVTU at this prestigious initiative was a matter of great pride. The experiences and knowledge gained during the programme enhanced my leadership, communication, and teamwork skills while deepening my understanding of the vision of Ek Bharat Shreshtha Bharat.

I sincerely express my gratitude to the Ministry of Education, Government of India, IIT Delhi, IIT Bhilai, CSVTU, NSS, and all the organisers, mentors, and fellow delegates for making this journey meaningful and inspiring. The values and learnings gained through Yuva Sangam will continue to guide me in contributing positively towards society and nation-building.

**"Arise, awake, and stop not
till the goal is reached."**

— Swami Vivekananda
